Description

Provide a short description of the event and its activities.

The 3rd European Citizens Meeting took place from the 12th to the 15th of September 2024 in the German town of Kassel. During the event, participants from five countries of the EU, as well as Ukraine and the UK, had the opportunity to get to know each other. The guests stayed with host families if they wished to. During the event, there was a grand opening with the support of the Lord Mayor of Kassel, Dr. Sven Schoeller, and Magdalena Adamowicz, MEP, with a joint dinner. On Friday and Saturday, 15 workshops took place in various locations around Kassel. The topics ranged from multicultural cities to spiritual artworks. The workshops provided an opportunity to meet and get to know people from different countries based on shared interests. On Saturday afternoon, Katarina Barley, MEP, held a discussion and a dialogue about the rule of law in Europe, including the efforts taken by some European countries to undermine it and what the EU does to counter the trends of nationalism and autocracy. After the discussion, a manifestation for a strong EU was held in the city center of Kassel. In the evening, the "Europa-Party" took place with all the volunteers and participants who made the EBB 2024 possible. The EBB takes place every two years in Kassel. The next EBB will be held from the 10th to the 13th of September 2026.
