„Our Europe - United in Diversity“ - Our Motto for the European Citizens' Meeting (EBB) 2026. We aim to discover and celebrate the diversity that strengthens us through shared workshops and experiences.

Do you want to join in?

You can find all the information about registration, accommodation with host families, workshops, and cultural and leisure activities on the Bürgerbegegnung website at www.kassel-ebb.eu. We are happy to answer any questions at office@kassel-ebb.eu.

If you and your organization would like to contribute to the EBB with a workshop, please send us your idea. We are also looking for host families for our European guests and volunteer interpreters to assist with language support during events and workshops. We look forward to hearing from you!
